### REDUCES CANADIAN RECORD

CLIFF EDGE RUNS MILE IN 1:37% IN WINNING FORT ERIE FEATURE RACE.

S. C. Hildreth Finds It Expensive to Win a Selling Race with Royal Meteor-Blackford Makes It a Double for R. E. Watkins.

Buffalo, N. X., July 3.—Richard E. Watkins furnished the winner of the feature race at Fort Erie this afternoon in his Ciliford stallion, Cliff Edge, which ran a mile in 1:37%, representing a new Canadian record for the distance. Cliff Edge met good opposition. Strong support developed for Lawton Wiggins and he went to the post a well-backed favorite. In the early running Lawton Wiggins and Dinna Ken showed in front and led until entering the homestretch, where Cliff Edge went around on the outside with a rush and, assuming an easy lead, had a three-lengths advantage at the fifth race, which went to Blackford. Like Cliff Edge, Blackford was easily best and won with something to spare.

Sam Louis and Sam Hildreth again clashed in the selling races this afternoon. Mr. Hildreth furnished the winner of the sixth race in Royal Meteor, an odds-on favorite. The latter had to be hustled ziong to beat the speedy Rye Straw a length. It was a selling race and Royal Meteor was entered at \$600. Mr. Hildreth was forced to go to \$1,300 to retain him. The associations in Canada are profiting considerably as a result of this selling race activity. It has been costly for Mr. Hildreth, who has been running some of his horses cheaply.

The Belmont and Wilson stables furnished the winners of the two-year-old races in Wildweed and New River.

J. T. Williams left for Lexington this morning with Governor Gray and County Tax. At the conclusion of the Latonia meeting Governor Gray will be shipped back to Fort Erie after the electing at the Milldale track comes to a close.

George M. Hendrie, accompanied by Fred W. Gerhardy, was a visitor at Fort Erie this afternoon. He came over to attend a meeting of the Canadian Raeing Associations. The troiley company in Windsor has built a double track half way to the course, which means that transportation facilities will be greatly improved this summer. An engineer inspected the grandstand at Windsor hist week and plans will be drawn for an addition measuring 150 by 90 feet, which will be erected this fall. W. W. Barden has arrived at Windsor from Louisville with three horses and all of the principal owners racing at Latonia have reserved stable room.

J. Nesbitt of Montreal is endeavoring to purchase the stallions Firestone and Pluvions. He asked for a price on Both horses fhis afternoon with the idea of placing them at the head of a stud that he is establishing in the Province of Quebec.

Among today's arrivals was J. J. Ogles, known on the turf a few seasons ago as "Texas Smith." He raced the fast sprinter R. Q. Ban over western tracks ten or twelve years ago and has Campus in the stud at his farm.

Charlie Primrose, who in partnership with Jack Burgess established a detective agency in Jacksonville last winter, arrived from Florida this morning and will spend a couple of months in Canada. He reports that everyone in Jacksonville looks for a sixty-days meeting at Monerief Park next winter.

Amos Turney was threatened with appendicitis, but was feeling much better tonight.

At a meeting of the Canadian Racing Associations held in the clubhouse here before the races today the following licenses were gefore the races today the following licenses were gefore the races today. Deckeys—J. J. Brown, W. Dunn, J. W. Dayton, T. Quinlan.

D. F. Kinney's application for a trainer's license was tabled and J. Don's application for a jockey's

The license granted steeplechase jockey H. Pollock was revoked. It is understood that this action came as a result of Expansionist having run out in the two races that he rode the horse.

The fire which destroyed the Hamilton Jockey Club's grandstand is alleged to have been of incendiary origin.

## FIVE THOUSAND SEE HAWTHORNE RACES.

#### Two Days Meeting Under Auspices of Letter Carriers Successfully Inaugurated.

Not far from 5,000 persons took advantage of the optorunity to witness the real thing in the way of thoroughbred racing at Hawthorne track yesterday, when the two-days meeting under the auspices of Garden City Branch No. 11, National Association of Letter Carriers, was successfully langurated. The scenes with which Chicagoaus were so familiar during the days when racing flourished hereabouts, were re-enacted and the enthusiasm that was displayed proved that the thoroughbred still has a host of loyal adherents in Chicago.

Those who desired to back their opinions as to the relative merits of the horses engaged in the racing found it easy to get action, but the betting was all of the individual sort and was induiged in a manner calculated to give no offense.

Considering the circumstances under which the meeting was held the racing was interesting and creditable. It is to be expected that today's patronage will be of bumper proportions in view of yesterday's developments, coupled with the fact that today is a holiday.

## VALUABLE RACE DECIDED IN FRANCE,

Paris, France, July 3.—The Prix du President de la Republique, valued at \$22,000, with a special trophy for the winner, provided one of the most interesting races of the season at Maisons-Lafflitte yesterday. The presence of T. Baring's English crack three-year-old Mushroom lent an international character to the event. Baron Maurice de Rothschild's Ossian, a five-year-old chestnut horse by Le Sagittaire, at 14 to 10, and Mushroom fought it out in the stretch, Ossian winning by a neck in an exciting finish. Xavier Balli's Rire Aux Larmes was third, three lengths behind. William K. Vanderbilt's bay filly Presight was second in the Pix de Grignon, a selling event at seven forlongs. The same owner's Sightly won the Prix Cheri, with H. B. Duryea's Los Olivos second.

#### HEAT RECORD BROKEN AT LATONIA

Patronage Continues Excellent in Spite of Trying Conditions-Bell Horse Takes Feature.

Conditions—Bell Horse Takes Feature.

Cincinnati, O., July 3.—Heat records were broken at Latonia' this afternoon when the thermometer recorded higher figures than for any previous raching day here. The torrid conditions did not have a deterrent effect on the attendance and another large gathering was on hand. Some of the contests were the best witnessed during the meeting and aroused great enthusiasm. Winners were again hard to locate and the major portion of the speculators suffered losses. The eastern delegation, headed by Messrs, Hitchcock and Knapp, who arrived today, instituted several successful planges. The most notable one came with the running of the third race, in which Sprite took the measure of the speedy Lady Lightining. The easterner made the western representative appear ordinary in the running, for she went into a two-lengths lead over Lady Lightining from the rise of the barrier and maintained her advantage throughout.

In the feature race Bell Horse won in a romp from Messenger Boy, with Volthorpe third. Hazel Burke was the favorite of the race, but McCaney handled her poorly and got her shu out of a portion of the purse in the last few strides. In addition to landing the feature race E. R. Bardley scored with Beach Sand in the second race. The field in this race was an ordinary band and Beach Sand was much the best.

H. C. Hallenbeck and his friends engineered a good coup in the opening dash, when Sir Marion just managed to land in front of Cheer Up and Star Rose. Racing luck contributed extensively to Sir Merion's victory, for Star Rose ran as if best and with an ergal start would have won. Daingerfield, the favorite in the race met with considerable interference.

with an e-gasi start would have won. Daingserfield, the favorite in the race met with considerable interference.

Of the bad lot that made up the field in the fifth race, Single File, Baythorn and Northeut, were best supported. Baythorn won, with Husky Lad second and Haldeman third.

The closing race went to Al Muller, which won well in hand from Elin Beau, with King Olympian third. McIvor, which had been virtually left at the post, closed a big gap to finish fourth. After the finish, C. C. Smithson bid up the winner to \$1,600. an advance of \$300, but failed to get bim. The bidding was in a spirit of retaliation for J. R. Wainwight's action in having claimed High Private.

Today's visitors included trainer James Rowe, Jr. Rowe's first visit to this locality in many years and he was greatly impressed with the sport as conducted here. He is on his return to the east from Lexington, where he superintended the shipment of the yearlings recently purchased by H. P. Whitney from James R. Keene. The yearlings will be shipped to Holmdel Farm in New Jersey, and after a brief rest they will be sent to England and France, where they will be raced. Mr. Rowe will next season train a division of Mr. Whitney's horses abroad.

Messrs, Knapp and Hitchcock, who arrived today, will return east tomorrow night.

Advices from Salt Lake are to the effect that the bookmakers at Lagoon Park are having a strenuous session and that most of them are heavy losers. Cept. J. T. Williams telegraphed this afternoou that Governor Gray would arrive from Buffalo to-that Governor Gray would arrive from Buffalo to-

George Rose is said to be \$15,000 out, Frank Bain \$5,000 and other well-known layers in like proportions.

Capt. J. T. Williams telegraphed this afternoon that Governor Gray would arrive from Buffalo tomorrow morning and would be a positive starter in the Independence Handicap.

## SLIM HOPE FOR GITTINS BILLS.

Albany, N. Y., July 2.—That the bills designed to relieve racing introduced by Senator Gittins, of Niggara Falls, will not pass during the present session of the Legislature is practically assured. One of the Legislators interested in the bills, who lingered in Albany until yesterday, insisted that the supporters of the bill felt confident that Governor Dix would not sign them if they got as far as the executive chamber. "There would be no use putting a lot of men on record in favor of or against these bills," he said, "unless we had some certainty that the governor would sign them. Knowing that he will not, it is useless to bother any more with the measures. Maybe a more successful effort will be made next year and maybe not.

"The trouble is that many people have an entirely wrong idea about these bills. You would think to hear them talk that we intended 'letting down the bars' and 'throwing into operation again all of the gambling apparatus of the race tracks. That is decidedly not the case.

"One bill proposes merely to define what a bookmaker at the track is—a man who accepts wagers from all comers—and the other bill attempts to change into sane legislation the bill which now makes directors of racing associations responsible for gambling, whether they had any personal knowledge of it or not.

"We proposed merely to protect them from criminal responsibility for something they had absolutely nothing to do with. We never did and never will attempt to 'let down the bars' to permit race track gambling. The racing associations don't want to do that."

Representatives of the reform associations working in Albany against the bills have been giving out freely for several days that Governor Dix had given them assuriance that he would not sign the

do that."

Representatives of the reform associations working in Albany against the bills have been giving out freely for several days that Governor Dix had given them assurance that he would not sign the Gittins measures. Both bills are now in the committee of the Whole of the Senate and they may come up for discussion during the latter part of this week.

Security Cities.

week.

Senator Gittins has not as yet given up the fight, which he insists is prompted only by a sense of fairness to the racing associations having a great deal at stake, and who will be put completely out of business if the bills do not become laws.

Senator Gittins has felt for some time that he had enough votes in the Senate to pass the bills. But the discouragement which comes from the executive chamber naturally puts a damper on his efforts.

## THIRTY LEADING AMERICAN JOCKEYS.

Last week's racing had the effect of relegating T. Rice to fourth place in the jockey list for this year. T. Koerner still has a comfortable lead, while J. Glass and McCahey are tied for second honors. The record of the thirty leaders from January 1 to and including the racing of Saturday last follows: January 1 to and last follows: Goose

#### NOTES OF THE TURF.

King George's Mirabeau won the Princess Plate, valued at \$1,500, at Newmarket Friday from Halma. Rose Verte, winner of the French Oaks, returned in the mutuels 9 to 1 straight and 36 to 1 to show. Governor Cruce of Oklahoma was an interested spectator of Saturday's racing at Oklahoma City, as a guest of the Oklahoma City Jockey Club.

E. R. Bradley has decided not to take up Bobby Boyer until next fall. That son of Orlando has been running out at the Idle Hour Farm since he was shipped to Kentucky from Juarez, Mex., last April.

The betting ring at the Butte track is being enlarged in preparation for the approaching meeting. Some 360 square feet will be added to its area. A new street car loop to the entrance of the enclosure is another improvement. Some thirty horses are in training at the track.

James Griffin has about decided to go to Canada at the close of the Latonia meeting with Fairy Story and two other horses. He will first try the Windson meeting. The other members of his stable, chiefly two-year-olds and still in the maiden class, he will ship from here to Louisville to rest until fall.

It is unlikely that Eugene Elrod will be in condition to resume active charge of the pari-mutuel department at Latonia during this meeting, although his health is improving rapidly. His physician says that care and rest will restore him to perfect health, and that by fall he should be able to resume his duties on the Kentucky tracks.
